

BREAST CANCER AWARENESS CAMPAIGN: GET ACTIVE, SIMPLY CHECK

20th October 2012

Horizon International Flight Academy for the second year running lent its support to the Breast Cancer Awareness Event held at the Al Ain Amblers Rugby Club. October is Breast Cancer Awareness Month, which is an annual campaign to increase awareness of the disease.

While most people are aware of breast cancer, many forget to take the steps to have a plan to detect the disease in its early stages. The theme of the event was "Get Active and Simply Check" an initiative championed by the Health Authority Abu Dhabi and the day's activities included women's touch Rugby and volleyball.
