

AU REVOIR, VOUS ALLEZ NOUS MANQUER

1st July 2014

Pascal Thirion joined Horizon in June of 2005 as Manager of Operations and Training. After two years, in June 2007 he was promoted to Quality Manager. Saying good-bye is one of the hardest things in life that no one looks forward to.

Unfortunately, we have reached the point where we need to say it.

Over the last nine years, it has

been a privilege to work and to learn from Pascal's invaluable work ethic. We can never forget our time together. He has been a true leader who steered the team and with this guidance they could face any challenge with confidence. "We are deeply indebted to Pascal for his dedication, commitment to high standards and most of all his ability to motivate staff and the unfailing support shown to us all. I'm sure I speak for us all when I say he will be missed." said Hareb Thani Al Dhaheri, Horizon's CEO. We wish him nothing but success with all his future endeavors and especially the cherished times ahead with family and friends.
