

CELEBRATION OF 43rd UAE NATIONAL DAY

1st December 2014

Horizon International Flight Academy, Strata and ADASI jointly celebrated the UAE's 43rd National Day. Together we raised the national flags and the night dazzled with lights. It marked a special memoir in our hearts.

The celebration took place at Al Ain Airport Park. CEO of Horizon Mr. Hareb Thani Al Dhaheri and the CEO of Strata Mr. Badr Al Olama were both present on this auspicious occasion. Celebration was started at 05:00 pm the military band, led by two horse riders, started playing the national anthem. They marched across the park, amusing the crowd with their skills. Later the crowd was grouped to form the number 43, that signified the number of years that lead to today's remarkable transformation of UAE.

The celebration went on, adorned by some traditional dances performed by children and the variety of activities expressing the love and admiration of Emirati's and residents of the UAE for their beloved country.

seven Bell 407 Helicopters attracted the attention of guests. All eyes gazing at Al Ain Skies watching the Horizon Flight academy helicopters present an impressive air display. These Helicopters contributed to this event by presenting a fly -pass over the blue skies of Al-Ain. Representing the seven emirates, the seven helicopters flew over different locations in Alain including Hazza Stadium, Al Jahili Park, Green Mubazara and Alain Airport Park. The helicopter formation aerial display was accomplished by highly experienced instructor pilots from the academy that mirrored a glimpse of the unity among the seven emirates, further strengthening UAE's bright and promising future.
