

## EDIC Horizon Annual Iftar

**29<sup>th</sup> May 2018**

During the holy month of Ramadan, on the 29<sup>th</sup> of May, 2018, EDIC Horizon family gathered once more, away from the pressures of work, to join the annual company Iftar feast. The whole staff, their families and all of our students enjoyed breaking their fast together and all of the attendees spent a memorable evening relaxing, eating, chatting and catching up with one another. During this event, EDIC Horizon CEO, Mr. Hareb Al Dhaheri awarded employees and students for their outstanding performance over the last year. It is hoped that Ramadan will always remain a special time for the EDIC Horizon family to spend together.
