Horizon International Flight Academy made its fifth appearance at the recently concluded International Defence Exhibition and Conference, IDEX, which was held from 17-21 February 2013 under the patronage of His Highness Sheikh Khalifa Bin Zayed Al Nahyan, President of the UAE and Supreme Commander of the UAE Armed Forces.

Horizon is one of nine Mubadala subsidiary companies now supporting the UAE Armed Forces by creating a sustainable, networked, commercially viable support system. As the only Flight Training Organization (FTO) in the region offering both a fixed wing and rotary wing training program, Horizon is the Academy of choice not just for the local armed forces but the region as well.
