

General Civil Aviation Officials Visits Horizon Flight Academy

19 December, 2011

Officials from the U.A.E General Civil Aviation Authority visited Horizon Flight Academy on 19 December 2011.

The team was led by His Excellency Saif Mohammed Al Suwaidi, Director General of the UAE General Civil Aviation Authority (GCAA) and Chairman of the Arab Civil Aviation Commission Executive Council.

The officials toured the academy and had discussions on operations & future plans. Horizon has ambitious growth plans and aims at being at the forefront of providing skilled manpower for the rapidly expanding Middle East and south Asia Aviation sector.

Horizon's CEO however, reiterated the Academy's focus on safety & quality in its training programs.
