

14th November 2011: Bell Honors Relationship With Horizon Flight Academy

Bell Helicopter's President & CEO John Garrison presents Hareb Thani Hareb Al Dhaheri, CEO for Horizon Flight Training Academy, with a model of a Bell 407 to recognize the long standing relationship between the companies.

Horizon Flight Training Academy currently operates the largest fleet of training helicopters in the Middle East. Horizon will have 15 Bell 407s in operation by the end of the year and

currently operates 10 Bell 206B3s in their fleet.
