

OSH Day – World Day for Safety and Health at Work

28 April 2019

April 28 marked the International Day for Occupational Safety and Health, which coincided with the 100th anniversary of the International Labor Organization (ILO). This year the theme was "A safe and healthy future at work". EDIC Horizon celebrated this day with the staff in the Hanger area. The ceremony ended with a competition between the employees about their knowledge of OSH. This celebration highlights the importance of making a continued effort to improve occupational safety and health at work.
